

# So how big are our labels?

Print this PDF to see the difference. Baseball shown here. Football features bye-week instead of team in upper right corner.

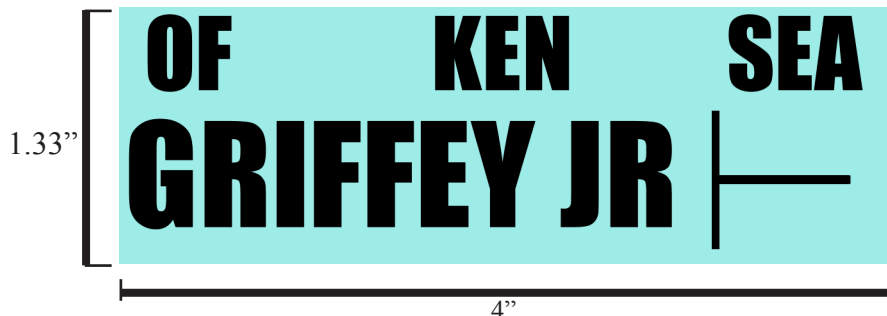

**Standard / Small**  
Our economy label. You'll save 50 cents per man. Will suffice for smaller leagues that are close to the draft board.  
  
Small kits available only in football use same label size as standard (shown here).

**Commissioner's Dream Black**  
Signature product with our basic black text. 33% larger than competitors' 1x4 label.  
  
Updated players available: football.

**Commissioner's Dream High-Contrast**  
Signature product with high-contrast white text on darker background for better visibility, especially in darker areas. Small upgrade over black.  
  
Updated players available: football & baseball.

**Commissioner's Dream Salary Cap/Auction**  
Signature product with black text and space for player values. Same price as black text.

**Jumbo (New in 2009)**  
If you want to impress your group, this is the option for you. These labels are 150% larger than competitors' 1x4 label.  
  
If your group can get past \$1/ man extra for this kit, this is the kit for you.

Note: exact colors vary by printer and monitor. Colors may vary in actual kit.
